HOPE-JOY NEWS

This past weekend, our Hope/Joy children and their families spent the afternoon together at a local farm picking pumpkins, enjoying a hayride, and other fall activities. It was a beautiful day full of ***fellowship*** and fun!

I hope to see you all at our next Hope/Joy event, "Living the Liturgy," which will be focusing on ***worship***, planned for the evening of Friday, November 3rd.

Yours in Christ,

Effie Patounas
