Dear Philoptochos Members and Friends of Philoptochos,

Our 2023 Annual Membership Drive has begun. We will continue to follow the example of other chapters in our Metropolis and across the country as we move forward in our 2<sup>nd</sup> year of stewardship as the basis of our membership rather than dues, as it better reflects our mission of doing God's work by caring for people in need. If you are not currently a member, we kindly invite you to become a member of our chapter this year. It is our sincere hope that all female stewards of our parish will join us as we seek to fulfill the mission of Philoptochos. Male stewards are invited to support our Philoptochos chapter as Associate Members. Our membership drive is not to be confused with the stewardship of our beloved Church of the Annunciation. We pray all our Philoptochos members are, first and foremost, active stewards of our community.

The mission of Philoptochos is to help the poor, the destitute, the hungry, the elderly, the sick, the unemployed, the orphaned, the widowed, the disabled, and the victims of disasters, whether they are in the United States or elsewhere in the world. We seek to honor our relationship with God by using our time, talents, treasures, faith, and love to make a better world for those in need, not only in our Greek Orthodox community but in our society at large, locally, nationally, and internationally.

Our Chapter continues to provide immediate financial and other assistance to those in need in our own Parish and local community while participating in philanthropic programs throughout the country and the world. Our Philoptochos has and will continue to be a *haven for anyone in need of life-giving support*.

Please consider becoming a Philoptochos 'Nausica' member in 2023 and displaying your love for our Philoptochos and our mission through your stewardship.

In the Service of our Lord,  
*Stella Fiofis*, President

*Stella Nikolopoulos*, Membership Chair
