

ANNUNCIATION HOMELESS MINISTRY

Five More Facts About Hunger and Homelessness

Many Americans are living on the edge, forced to choose between necessities like purchasing food, paying rent, or going to the doctor.

549 thousand Americans are homeless on a typical night.

Every year 2.5 million children experience homelessness. That's almost the entire population of Chicago.

Being homeless could take up to 30 years off your life.

***Anyone* could be at risk of homelessness.**

Please join us after Liturgy on November 20th for fellowship as the Homeless Ministry will host our Kalosorisma. We will serve a fasting version of the same foods we serve at Aviator Park to those experiencing homelessness! We hope this offering will further connect our church family to those we serve. We welcome questions about the work being done by our church ministry and conversations about how you can share your God-given gifts with others through the Homeless Ministry! Please consider donating hats, gloves, scarves, or a blanket for our Annual Warm Winter Clothing Drive to help those experiencing homelessness.

With Gratitude!
The Homeless Ministry
