

# ANNUNCIATION HOMELESS MINISTRY

Please join us on [Thursday, December 29<sup>th</sup>](#), for our last serving date of 2022 at Aviator Park! As we usually do this time of year, we will share a few extra treats to help make the holidays special for those we serve. In addition to our usual offerings, vasilopita, and hot chocolate, we would love to include home-baked Christmas cookies! If you would like to help with this special offering, place two or three cookies in zip-lock snack bags and drop them off at church by 12/28. Feel free to add a note with holiday wishes or a kind word of encouragement. This would be a wonderful service activity to include children in, and as always, we welcome everyone's baking skills and donations! The Homeless Ministry has placed a Christmas Cookie tin ready for your donations on the table by the bookstore. Let's fill our cookie tin with home-baked goodness and love, letting those less fortunate know that others care!

Please continue bringing in your donations of warm winter clothing. Every item you share helps spread comfort and compassion to needy people.

In Christ's service,  
The Homeless Ministry
