

## ANNUNCIATION HOMELESS MINISTRY

“Many hands make light work”

(Kids on a Mission!)

It's been a busy Lent but with the hands on help of the 2<sup>nd</sup> through high school classes this past Sunday, we were able to pack over 50 more AGAPE bags! Our baskets are filled again and ready for you to help us! Please feel free to take as many bags as you can distribute to those you see in need.

Thank you to all of our students and their teachers – Ms. Angela, Ms. Debbie and Mr. Mitch and to our Catechism School Director, Ms. Jacinda for sharing their time and talent! Please remember to pray for those who don't have a home and food!

Prayers for a Blessed Holy Week and Joyous Resurrection!
