

# CHURCH SCHOOL

The Angel Tree where students and families take an “Angel” off the Christmas Tree in the atrium and purchase the gift listed is an annual Church School tradition. This year, we are asking families to help make a difference in one of two ways for those less fortunate this holiday season.

## RED ANGELS

Many adults and children lack the proper cold weather clothing. Please purchase and wrap the item listed. Tape your angel to the outside of the box and place it by the Angel Tree by Sunday, December 17th. These wrapped gifts will be donated to local families in need via the *Manifesting Miracles in the World* group in Passaic.

## GREEN ANGELS

*Warm the Children* is also in need of warm clothing for indoors and outdoors. These unwrapped gifts will be shipped to Orthodox orphanages in the following Eastern Orthodox countries; the Ukraine, Romania, and Greece. These gifts do not need to be wrapped.

BE AN ANGEL TO A CHILD AND SPREAD  
YOUR LOVE AROUND THE WORLD.

Thank you! Wishing everyone a safe and blessed Christmas!
