Dear ,

It's been quite a busy month for advocates of women and girls! With several national and international campaigns happening right now, we're excited to showcase our event, **A Conversation with Geena Davis**, happening on April 9 at the Toyota Oakdale Theater in Wallingford.

Guests will enjoy breakfast as they listen to acclaimed actress and women's advocate, Geena Davis talk about the state of girls today and how media influences them. You will also learn of the choices and challenges she faced in becoming the person she is today.

We hope you will continue to advocate for girls by helping us promote this event. Here are a few simple ways to spread the word:

1. Promote via your social media pages. Share our [Facebook](#) and [Twitter](#) posts or [use this image](#) (right click to save to your desktop) to create your own post. Paste this link into your post: bit.ly/GSOFCGeenaDavis
2. [Print out this flyer](#) and post it to bulletin boards, share it with your friends and fellow advocates, and anyone who is a Geena Davis fan!
3. Forward this email to others who have an interest in advocacy for women and girls.
4. Please [join us at the event!](#) We'd love to have breakfast with you!
