Please consider joining our Coffee Hour Teams beginning on May 1, 2024.

Coffee hour teams will be on a 4 or 5 week rotation schedule (depending on sign up participants). Each team will have 3-4 members, who can bring 1 or 2 food items of their choice.

Members will set-up, and clean up. Teams may help with coffee-hour regardless if it is potluck or sponsored on their scheduled week. Going out of town on your scheduled week? We can switch weeks with another member.

This is an easy and great way to support our community.

Thank you for your help!
