

Dear Fellow Epiphany Day Cross Retrievers:

On behalf of His Eminence Archbishop Nikitas of Thyateira and Great Britain (Epiphany Day Cross Retriever 1974), I am writing to invite you to join his request.

His Eminence respectfully requests the 2023 Epiphany Day Cross Retriever, and going forward, be given \$1,000.00 (one thousand dollars) as a present from all past Epiphany Day Cross Retrievers.

His Eminence hopes an account will be started to perpetuate this idea. His Eminence donated the first \$500.00.

As “Bayou Brothers”, I ask to support His Eminence and stand behind him on this wonderful idea and make it something that we do each year for every Cross Retriever.

If you have any questions, please contact Nikitas Manias, 727-239-8130 and I will be glad to answer them. Donations can be made online at stnicholastarpon.org/give or send in a check to the church office.

Respectfully submitted,

Nikitas N. Manias
