

The children will play games, scrimmages and other soccer activities on an indoor turf field led by a professional instructor. Followed by light snacks, drinks and fun!

The HOPE/JOY ministry has planned a variety of activities and events that will enable our youth to not only share common interests but also build and stress the four characteristics of our Faith: Worship, Fellowship, Service and Witness.

This event we will be focusing on ***Service.***

Please have the children bring items with them that we can use to make hygiene kits to be donated to Project HOME. Project HOME is a Philadelphia non-profit organization empowering individuals to break the cycle of poverty. The first step in doing so is self care.

Suggested items include:

Chapstick Socks Lotion

Hand sanitizer Toothpaste Band-Aids

Gatorade instant mix Snack crackers Bottled water

Hope & Joy is an excellent opportunity for our youngest parishioners to meet and bond as a community. Through fun and creative activities children will build a foundation of friendship, faith and begin to understand Orthodox Christianity.
