MADISON
DOWNTOWN DEVELOPMENT COMMISSION

Welcome back to the Madison Farmers Market!
Thursday, June 30

The Madison Downtown Development Commission proudly presents our 30th anniversary season of the **Madison Farmers Market**, and we hope you will come and celebrate with us each week.

The last couple of years have been very challenging for our vendors, and many have struggled to find and retain staff, etc., throughout the pandemic. Some of your favorites may have left the market, but many are still here and are looking forward to a new season! We also have many new exciting vendors coming aboard and will continue to add as the season progresses. Please shop and support our vendors! Also, if you know of a vendor looking for a great weekday market, share their contact information by emailing ddc@rosenet.org.

The Madison Farmers Market has always been about community, food, and fun! This season we will be trying different creative ideas and mini-events throughout. The Madison Area Chamber of Commerce will showcase our local businesses as the season progresses. Live music will be returning for the season beginning on May 26. This newsletter will provide weekly updates and vendor information for you...please stay tuned!

The Market will again be located at Dodge Field, between Central and Greenwood Avenues. The season will run from Thursday, May 19, through Thursday, November 17. Hours remain 1:00 – 6:00 pm

Parking for Customers

Parking for customers is available on the street in the vicinity of Dodge Field. YOU MAY PARK IN the Central Avenue School Parking Lot while school is closed or after 4:00 pm. Please note that parking is on the north side of Chapel Street only.

Reminder - Melick's Town Farm is back!
