

**We want to thank our church community for celebrating with us at our Annunciation Parish's Feast Day and Greek Independence Day dinner Dance last weekend.**

Your gracious love and support for your church family was greatly felt and much appreciated! We thank our youth for participating in the evening's festivities. With their angelic singing voices and perfect dancing skills, they are truly our Annunciation stars who will keep the future of our parish shining brightly. Thank you to those who provided the delicious sweets: Dia Papadopoulos, Tasia Niamonitos, and Maria Sourias. Thank you to Apollonia for the incredible kefi they provided to our evening, to Father John for his spiritual guidance always, and our parish council for supporting us and entrusting us to put together this event. It was a great privilege to serve our parish in this way.

In Christ's Service,

The dance committee: *Afrodite Patounas, Despina Papadeas, Debbie Sourias, & Polina Vafiadis.*
