

SAINT GREGORY THE THEOLOGIAN SPECIAL SUMMER OUTREACH EFFORT

Supporting West Side Benevolent Circle's

2022 FREE MEAL PROGRAM

West Side Benevolent Circle's mission and purpose is to provide charitable assistance and support to residents of Mansfield, MA who lack financial resources due to illness, losing a loved one, or other challenging life circumstances. *The Free Meal Program offers children eighteen years and younger three nutritious breakfast and lunch meals per week throughout the summer.*

What's our role? We can help in *two ways* throughout the summer:

#1: Food Donation. Saint Gregory has been assigned

- (a) pasta boxes (150)
- (b) mac 'n' cheese boxes (150)
- (c) pasta sauce bottles/cans (150)

A special drop off bin will be available in the Narthex by the first week of June. To help West Side in its planning, please bring as much as you can, as soon as you can. **If you would like to offer a financial donation for food, we will shop for you (contact Fr. Alex).**

#2: Food Preparation & Distribution. Service opportunities at West Side and Paul's Place will be available on Tuesdays and Wednesdays throughout the summer. Children 16 and up can sign up on their own; younger children should be added to the notes of parent/guardian sign ups. **Sign up here at your earliest convenience (volunteer shifts are filling up quickly):**
