

YAL Conference 2022

September 1, 2022 – September 5, 2022

Wyndham Bayside Resort
San Diego, CA

Welcome to the Greek Orthodox Metropolis of San Francisco 2022 YAL Conference!

We look forward to hosting you and young adults from across the nation this Labor Day Weekend in San Diego, CA. We are excited to reunite with you, our YAL Family again in beautiful Southern California. The theme of this year's conference is **COMMIT!** This word is a focal point in the Divine Liturgy: "Let us commit ourselves and one another and our whole life to Christ our God." We are ready to Commit to one another, our vocation and our faith as one YAL community.

The Conference is a full, three-day, all inclusive, weekend event where you will be enriched by great social events, amazing workshops from your favorite clergy and church leaders, participating in a Diakonia project, enjoying the San Diego shoreline and worshipping together. Wherever you come from, I invite you to join us for a weekend of faith, fellowship, service and community. There is no better place than to spend Labor Day weekend with your YAL Family.

See you in San Diego!
