**A Rule of Prayer through Nine Objects**  
**(Attempting to learn from the Orthodox Tradition)**

Very Rev. John Jillians, PhD

**SUNDAY, March 31, 2024 – following Divine Liturgy**  
**ST. GEORGE GREEK ORTHODOX CATHEDRAL**

The Very Rev. Dr. John Jillians is an Orthodox priest whose ministry is notable for its many and remarkable achievements. A distinguished scholar and speaker, Fr. Jillians' extraordinary journey in the Faith has taken him from chancellorship of the Orthodox Church of America to pastorships of communities in the United States, Greece, Canada, and New Zealand with stops punctuated by academic degrees earned from universities in the United States, Canada, England, and Greece. A prolific author, Fr. Jillians will remind us that Christian life is never just abstract or theoretical. It includes what we do in practice with our time, talent, and money. But how we do this depends on how we weave worship, prayer, and the remembrance of God into the unique fabric of our lives. Fr. Jillians will speak from his personal view on how to make the rich and vast Orthodox Christian Faith and tradition real in our lives.

**Refreshments will be offered immediately following the Lecture**
