David Kupelian is an award-winning American journalist, vice president and managing editor of online news giant WorldNetDaily, and editor of Whistleblower magazine. In addition to *The Marketing of Evil*, he is the author of the sequel, *How Evil Works*, and most recently, *The Snapping of the American Mind*. Kupelian has been featured on Fox News, MSNBC, C-SPAN, CBN, and many other TV and radio venues.

"If you want to preserve the brightness and innocence of your children, I urge you to read *The Marketing of Evil*." – MICHAEL FARRIS, CEO of Alliance Defending Freedom, president of Patrick Henry College, founder of the Home School Legal Defense Association

"David Kupelian brilliantly explains how a clever, radical elite is persuading Americans to accept evil as good, and good as evil. With precise clarity, the book blows the lid off the most successful—and dangerous—cultural scams." – ROBERT KNIGHT, columnist for the Washington Times and senior fellow for the American Civil Rights Union

"Excellent! Simply excellent. If you want to solidify your Christian worldview—or just understand what the culture war is all about—you owe it to yourself to read David Kupelian's *The Marketing of Evil*." – DONALD E. WILDMON, chairman and founder of the American Family Association
