

There is a simple, convenient way for you to get preventive health screenings and learn your risk for stroke, heart disease and other chronic conditions.

These painless screenings go beyond your regular checkup to identify dangerous plaque buildup or blockage, a major risk factor for stroke and heart disease. The screenings are accurate, affordable and will give you valuable information about your health that you can share with your doctor.

We are pleased to host Life Line Screening, who will be on site on Monday, May 9, 2022 at Saint Andrew Greek Orthodox Church of Randolph to conduct these valuable screenings.

These 5 vital screenings take 60-90 minutes to complete. Register by calling toll free 1-888-653-6441, text the word "circle" to 797979 or online at <https://lisa.social/HS>
