

## **St. Nicholas Luminaries 2024**

Saint Nicholas will have our annual Anastasi Luminaries. The Luminaries will be lit at dusk on Holy Saturday evening and remain illuminated throughout the night, creating a path of loving memory of those who have left us, and for hope for those living whom we wish to give strength and love. The Luminaries will be placed throughout our parish campus during the evening of Saturday, May 4, 2024, and remain lit throughout the Anastasi Service.

An invitation is extended to all to participate by providing the names and contributions either online (see below), by email at [churchoffice@saintnicholas.org](mailto:churchoffice@saintnicholas.org) or by phone at 408-246-2770.

To place your request online, please click on the link: <https://www.saintnicholas.org/donate> and include your name, contact phone number, the number of luminaries AND the names of loved ones you would like to honor - both living and/or deceased in the "Additional Comments" section. Include the words 'Anastasis Luminaries' in the comments field as well.

*Please note all contributions will benefit Saint Nicholas Greek Orthodox Church.*
