

**“Each year the Church offers us a time to return to the beginning, “as the book *Journey through Great Lent* states. We get a re-do or an opportunity to reflect on our spiritual journey and make changes or rediscover priorities. For Matthew 25, we take this time and reflect on the work we are called to do. We ask ourselves, are we doing enough? Are we reaching our parish as a ministry? Have we properly cared for our food-insecure neighbors? There are many questions to think about and lots of work to do.**

Last Tuesday, Christine Ferello led a small group in preparing 13 trays of lasagna for Lasagna Love. Not only did we send over lasagna, but we also included salad, bread, and, of course, dessert—a complete meal! We worked hard and brought fellowship to our mission as well. We are grateful to Christine Ferello and Christine Vlahos for their helping hands. It was a success! Thank you, ladies!

We are continuing to promote our Lenten Meat Drive. We want to incorporate more eggs into our deliveries this month as well. Please continue to support this community service event. We recommend \$35 but donate what you can. I often think about our own Easter dinners. Our tables are filled with meats, sides, and an abundance of food for everyone to feast on. Please help us make this possible for others in the area. Let's work together to live our lives according to God's will. What a wonderful way to begin or end the season of Lent.

*Food for thought: **Let us love, not in word or speech, but in truth and action. 1 John 3:18***

You can always make a direct donation through Vanco, but it's important to make it under Matthew 25, and in the memo portion, type **Lenten Meat Drive**.
