You are cordially invited to attend the presentation

## **Anniversary Celebration for the Struggle for Independence of Greece.**

From Antiquity to 1821: the global significance of Greece's contribution  
to Christianity and Western Civilization.

How Greece's history through the centuries has helped the spread of  
Christianity and initiated the establishment of the Western Civilization.

Sunday, March 24, 2024 / After liturgy (~ 11:45) / St. Basil's Hall

Dr. George Asimellis, Speaker

Professor, New England College of Optometry
