

OPERATION CLASSROOM

A National and Metropolis Philoptochos Project

Its mission is to assist and offer support to students and teachers in underserved or underfunded schools and provide resources that would not have been available through the local school district.

Saint Helen Philoptochos is supporting two schools in Vista - Foothill Elementary and Rancho Minerva Middle School. Both schools serve a high percentage of families with incomes below the poverty line, who are homeless, and/or have foster children.

The first collection drive is for new shoes and jackets/windbreakers for specific students at Rancho Minerva Middle School.
