

*Please join us for our
Annual Membership Drive
during Coffee Hour this Sunday, February 12th
following Divine Liturgy.*

While there is usually a separate Luncheon hosted for this event, we do understand that schedules are busy and time is limited. We really wanted to give people the opportunity to come and ask questions and see what we are about at a time that is more convenient and a time when many would already be at the church anyway.

Over the years, we have decreased in memberships for whatever the reasons may be. On this day, we want to open our minds and our hearts to rebuilding our Ladies Philoptochos!

*Our church and our community need us!
WE NEED US!*

Please join us in this mission and together we can be amazing!
