RELIGIOUS EDUCATION DEPARTMENT 2022-2023

Dear Parents and Students

Welcome Back to St. Andrew Church!!!

The goal of the Religious Education School is to show our children how to lead Christian lives. The Religious Education teacher supplements and reinforces the work of the priest and the parents in educating the child to know Jesus Christ and His Church. Our first concern is that the child learns about his Saviour, Jesus Christ. Using His teachings as our foundations we bring the child to know and practice his Orthodox faith. Each teacher in the Religious Education School is not only a source of religious information to the child, but also one of the child's prime examples of Christian behavior.

We are fortunate to have a dedicated, conscientious, and responsible group of volunteers who will spend each week preparing a lesson to teach our children on Sunday. However, they can only be with them for a mere one-hour a week. Family involvement is essential to a child's religious growth and development. As parents you can:

- Encourage prompt and regular attendance to Divine Liturgy on Sunday.
- Ask your children what was learned in class and discuss the lesson.
- Show an interest in your children's projects and take-home work.
- Encourage your children to do their assignments and help them if help is needed.
- Worship together as a family even when classes are not in session, it helps the children realize that church worship and Religious Education School go together.

Teach a child how he should live, and he will remember it all his life. (Proverbs 22:6)

Church and home go hand in hand. **Share the Experience.** This year we are pleased to continue with our classes as follows:

Divine Liturgy: Parents and children should be in church on time

Altar Boys should be in church 5 minutes before liturgy begins

Students & Teachers will receive Holy Communion and then proceed to their Classes.

To maintain an orderly environment for our students, we respectfully ask parents to adhere to the following guidelines:

- Please bring your children on time to church and for class.
- Parents are asked to return to church after dropping off students. Please do not linger downstairs or outside the classrooms since this will be a distraction for the classes in session.
- After dismissal, parents of younger children please pick them up directly from their classes.

We want to assure you that the safety of our children is most important to us. Our schools will follow the COVID protocols recommended for the local area and our Metropolis. We thank you for your support and look forward to a successful year!

In the Service of the Lord,
