“THINKING ORTHODOX”

Understanding and Acquiring the Orthodox Christian Mind

Save the Date
for an inspiring lecture by
Presbytera Dr. Eugenia Constantinou.

What does it mean to "think Orthodox?" What are the unspoken and unexplored premises and presumptions underlying what Christians believe? Orthodox Christianity is based on preserving the timeless mind of the early Church, its *phronema*. Dr. Jeannie will cover what makes Orthodox phronema different from western Christianity, acquiring the Orthodox Christian Mind, modern challenges, and more!

With more than forty years' experience as a professor, Bible teacher, and speaker, she will explain what the Orthodox phronema is, how it can be acquired, and how that phronema is expressed in true Orthodox theology - as practiced by those who are properly qualified by both training and a deep relationship with Christ.

Dr. Jeannie holds advanced degrees in theology from Univ. San Diego, Holy Cross Greek Orthodox School of Theology, Harvard School of Divinity, Université Laval-Quebec City, and a JD from Pepperdine University.

Her podcast, *Search the Scriptures Live!*, can be heard Monday evenings on Ancient Faith Radio.

She is author of *Thinking Orthodox*, *The Crucifixion of the King of Glory*, and *Guiding to a Blessed End: Andrew of Caesarea and His Apocalypse Commentary in the Ancient Church*.
