

In November we celebrate Thanksgiving. It's the time of year that reminds us how blessed we are and to give thanks to our Lord for all we have. It's also a time to remember those less fortunate and to give as best we can to help those in need. Let's make the month of November, "Giving Thanks November," and let's be giving as a St. George Family to help those less fortunate. Each Sunday in November we will pass a second tray to collect funds to help our local communities' charitable organizations. Note, that as Philoptochos will be passing a tray on November 5th for the Ecumenical Patriarchate, we will start the 'Giving Thanks' second tray the following week and extend it to the first Sunday in December.

This year collections from each of the 'Giving Thanks' second trays passed will be donated to the following charitable organizations:

Sunday, November 12, 2023 – Food Bank of Monmouth and Ocean Counties

Sunday, November 19, 2023 – Community Hope Fund, Ocean Township, NJ

Sunday, November 26, 2023 – Jersey Shore Rescue Mission, Asbury Park, NJ

Sunday, December 03, 2023 – Madonna House, Neptune, NJ

Please be as giving as you possibly can, and let's help make a difference in a few of the lives of those who are struggling and are less fortunate than us. Let's relieve their burden a bit and help make their lives a little easier."
