

The Annunciation Senior League invites you to a

**UC DAVIS TOUR OF:
The Bohart Museum,
The Museum of Wildlife
and Fish Biology,
Lunch at
The Symposium,
and Arboretum Tour
TUESDAY, MAY 7th**

**Bus departs promptly 9:30am from Church
Returns approx. 3:30pm \$48/person**

The Bohart Museum, Department of Entomology – A knowledgeable docent will lead our tour of the Bohart Museum, Department of Entomology at UC Davis. We will see parts of the seventh largest insect collection in North America that includes more than 7 million specimens. Bohart Museum studies insects for many reasons: insects are involved in evolution, ecology and public health and are essential in the ecosystem, in pollination, seed disposal, and environmental health. Bohart experts provide legal testing in cases including criminal forensics and product contamination. This museum is among the most important diagnostic resources on the West Coast.

The Museum of Wildlife and Fish Biology – We will receive a docent-led tour of The Museum of Wildlife and Fish Biology at UCD. The MWFB houses one of the most significant modern collections of birds, mammals and fish in California. The Department of Wildlife and Fish Conservation Biology was recently ranked #1 in the Nation in research and scholarly output for fisheries and wildlife programs. The MWFB houses over 50,000 specimens and over 5,000 tissues. It is among the top ten collections in California and the third largest university-managed collection in the state.

The Symposium – A choice of three delicious entrees from our favorite Greek eatery in Davis! See below for choices.

The Arboretum – The Arboretum is 100 acres spread across the campus and is a living scientific museum with more than 100 classes on campus that use the Arboretum. It is nationally recognized for the research of Oaks and Acacia trees. We will be visiting their newest Garden, The Hummingbird Garden – only about 2 years old. 15% of these birds are vulnerable to extinction and we will learn how perhaps we can help. A Master Gardener will be our tour guide.

**Return this portion along with check payable to: ASL (\$48/person) to:
Georgia Econome, 5310 Del Rio Road, Sacramento, CA 95822 ph. 916-442-4125
Due by Friday, May 3, 2019 • Sorry, no refunds after Friday, May 3, 2017**
