Every Sunday we commemorate Christ's rising from the dead and triumph over death. We celebrate the Divine Liturgy, in which we partake, not of bread and wine, but the Body and Blood of Jesus Christ. Sunday is the Lord's day. It is also the first day of the week. By coming to church on Sunday morning, we start our week off on the right foot. We physically receive the Body and Blood of Christ, which we carry with us throughout the week as we go to school and work. We also participate in Christian fellowship. From coffee hour, to Greek dance practice, and youth group meetings, we are surrounded by Christ; in both Christian fellowship, and by acting in a Christ-like manor. By starting our week with Christ, we are setting ourselves up for a positive week.
