

## Welcome to Tarpon Springs Vikentios Livanos!

After nearly three years of planning, it is my pleasure to announce and welcome to our community, Mr Vikentios Livanos, who will begin work this week as our NEW St Nicholas Family Ministries Director. The Family Ministries Director will work closely with every ministry of our Cathedral to develop and implement new ministries and help improve existing ministries. He will coordinate the work of all our ministries to bring greater unity to our Cathedral Family.

I invite every member of our St Nicholas Community to come **WEDNESDAY, JUNE 8TH at 7PM** to get to know Vikentios and welcome him personally to our community. Following Wednesday Vespers, we will gather in the Spanos Pappas Community Center during GOYA Night, as parents, youth, volunteers and parishioners, for snacks and fellowship.

Vikentios Livanos (24) comes from Canonsburg Pennsylvania, just outside of Pittsburgh. Born to Fr. George and Presvytera Dianthe in 1997, he is number 6 of 7 children. From his early youth Vikentios felt a great desire to serve Christ's Church. To that end, he attended and graduated with a Bachelor of Arts Degree from Hellenic College in Boston. From which point, after taking pause from furthering his education, he accepted the position of Family Ministries Director here at St. Nicholas Cathedral. He is honored to be accepted into our community in this leadership position, and is looking forward with joy and humility at the prospect of learning and growing with you in this great community to the glory of God.
