**Unconditional** is a 2012 biographical drama film written and directed by Brent McCorkle, inspired by true events. It is the first film by Harbinger Media Partners, which aims to "produce high quality theatrical films that honor God and inspire viewers to pursue Him and serve others."

A woman's idyllic life is shattered when her husband is killed in a senseless act of violence. As she prepares to take matters into her own hands, two unexpected encounters begin to change everything.

### Is 'unconditional' a good show?

He said, "Unconditional has a lot going for it. In addition to a solid cast, headed by Lynn Collins ( John Carter) as Sam and Michael Ealy ( Think Like a Man) as Joe, it has an elegant script and striking visuals."
