

SEEKING SUNDAY USHERS

Dear Saint Andrew Parishioners,

Our Parish Council has taken steps over the last several years to continuously improve the environment of our Parish. The Parish environment is one where we all should feel welcomed, comfortable, and focused while we pray and celebrate. Ushers are key people to help our parishioners have a good environment in which to worship. The Usher is a volunteer who will be educated as needed by

the Parish Council to perform certain duties they are comfortable with and when they are available. It is a great opportunity to learn more about the Faith and Traditions of the Greek Orthodox Church and how they are manifested before, during, and after the services.

We could use your help. Our Parish Council, which is a more significant responsibility commitment, continues to take on more and more responsibility on Sunday mornings and this makes consistent Ushering a challenge. We ask you to prayerfully consider taking some time, according to your own schedule, to serve as an Usher during some services throughout the year. Again, the time commitment is flexible, and the Parish Council will provide all the necessary training and coordination of schedules.

Please consider volunteering your time and talents.

If you want to learn more or participate on the Usher team, please email nikolas.karkanias@gmail.com

Thank you!
