

2020 Vasilopita & Stewardship Appreciation Sunday JANUARY 5, 2020

4th Annual Vasilopita Cutting!

This is the fourth year that we're asking families to please bring a Vasilopita using your family's own traditional recipes...as there are so many different ones!

Don't forget to add a coin in the bread (wrapped in tin foil) that way our many ministries and dedicated leaders have a chance to get a coin for the year!

Stewardship Appreciation!

We also are honoring YOU with a special New Year brunch!

We are collecting testimonials from our parishioners to share and display on this day. Would you please email the church office your testimonial letting us know how St. Nicholas welcomed you and how it impacted your life? Include how you want your name to be displayed, e.g. full first and last name or initials. Deadline: 12/23/2019

What is more beautiful than welcoming the year 2020 with thanksgiving to our Father in heaven for all His blessings
