

As you can see, we are being asked for less than 1/20th of the total building cost in order to provide a beautiful, traditional place of Orthodox Christian worship for us and for future generations. After we move into the new church, the Social Hall will be renovated for parish education and activities! All of this represents the completion of our thirty-year journey in the re-establishment of having, once again in the great cultural and academic city of New Haven, a beautiful Greek Orthodox Church. We are requesting your generosity to complete the celebration of this historic milestone.

This Paschal Season is the time of reflecting on the sacrifice of our Lord for us and for the salvation of the world. And it is the unique time in our parish history for each of us to give thanks and to step up and make a sacrificial gift for the completion of the new, sacred St. Basil Greek Orthodox Church in downtown New Haven, CT. In doing this you will have your name and the memory of your departed loved ones recorded and enshrined in the new St. Basil Church.
