2025 ORTHODOX PARISH LEADERSHIP

Enhancing Parishioner Engagement

Utilizing an Intergenerational Approach

The Orthodox Parish Leadership ministry of the Metropolis of San Francisco is offering a webinar on “**Enhancing Parishioner Engagement Utilizing an Intergenerational Approach**”. George Ekizian will lead this engaging discussion on Monday, September 15, 2025.

Enhancing parishioner engagement, utilizing an intergenerational approach, is a powerful way to foster community, deepen spiritual growth, and strengthen relationships within the church. This approach recognizes the value and potential of connecting parishioners from different generations, allowing them to learn from and support one another. Discover how to leverage the unique gifts and perspectives of each generation to strengthen your parish’s spiritual life, community outreach, and overall vitality.

George Ekizian leads OPL’s Welcome Teams offering and has been a member of the Saint Paul Greek Orthodox Church in Irvine Parish Council for 20 years and served as President for three years during COVID. He is also a member of the Saint Paul’s Foundation and, with his wife Karen, co-chairs the Parishioner Engagement Team (PET), whose goal is to create and maintain an inclusive and positive parish environment that fosters increased participation and parish unity.
