The importance of Parent Involvement your involvement is not beneficial-it is essential. As parents you are the primary educators in your children. Your active participation in our program and events enriches the learning experience and demonstrates the value you place on their education and their cultural identity. Together, we can create a vibrant community that cherishes our traditions and fosters a sense of pride and belonging.

We need your help! Whether its through volunteering, participation in events, or sharing ideas, every contribution counts. Together we can ensure our youth programs continue to thrive and grow.

Join in Sunday School, JOY, GOYA, YAL and help make this year the best yet for your children.
