A small lunch will be provided

Join the St. Paul Ladies Philoptochos for a special afternoon of baking as they teach our youth how to make traditional Greek sweets, including koulouria, kourambiethes, and paximathia. As part of the Metropolis Weekend of Service, all cookies made will be gifted to the residents of St. Herman House of Hospitality. Don't miss this fun and meaningful opportunity to learn, bake, and give back to those in need!
