

New Year Home/Business Blessings

Fr. Chrysostom would like to come and bless your home and/or business as we begin the new calendar year and celebrate Epiphany.

Use the URL or QR code to access the online form. Please indicate the days/times that are best for your family and Father will follow up with the specific day and time of your appointment based on geographic area.

While your generous hospitality is always appreciated, please know that due to the number of visits, he is unable to make a lengthy visit at that time. He will not have the ability to partake of any food offerings.

Please have a med-large bowl of water available.
