Give of your Time and Talents! Join a Ministry!

**"As each one has received a gift, minister it to one another, as good stewards of the manifold grace of God."
1 Peter 4:10**

Each of us has been blessed by God with unique talents and abilities; gifts that are meant to be shared with others. Whether it's the ability to teach, organize, fix something, fundraise, offer a warm smile, or lend a helping hand, these talents are a reflection of God's grace working through each of us.

Volunteering for a ministry is a way to honor and use your gifts for a greater purpose. When we step forward to serve, we contribute to building a stronger, more vibrant community, where everyone benefits from the diversity of skills God has entrusted to us. By giving our time and talents, we become active participants in the life of the church, helping it to grow and flourish.

Our Ministry volunteers are an integral part of our Church family. They keep things running and they reflect God's perfect love into the world through acts of service. Working with other parishioners is a great way to make friends, feel more connected, deepen your faith, AND help our Church grow.

Imagine what our Church could be if everyone contributes their time, talent, and treasure!

Come join us. Together, with Christ, we do amazing things!
