Protopresbyter James Pavlow, Proistamenos

May 6, 2025

Dear Fellow Parishioners,

As you know, Parishes are called to have Spring and Fall General Assemblies to cover various standing agenda items. In accordance with Article 31 of the Uniform Parish Regulations (UPR), the Parish Council may also call Special General Assemblies to bring Stewards together to formally discuss important matters impacting the Parish. There are a few topics which the Parish Council would like to discuss with the Parishioners, and therefore we are inviting St. Anna Stewards to a Special Assembly which will take place in our Nicholas and Anna Bouras Memorial Fellowship Hall after services on Sunday, May 18, 2025, starting at 12:00pm.

Notes: Quorum Requirements: 25% of Stewards in Good Standing must be in attendance.

Steward in Good Standing means a Steward who is current in their prior year pledge commitments, has met 25% of their current year stewardship pledge, and is in good ecclesiastical standing.
