Stewardship is a practice that can help shape our world and lives so that we can more fully and gratefully experience God's grace, love, and communion. Inspired by our love of God, stewardship is expressed through the many ways we support and engage in the life of our beloved Parish. Parish engagement in the form of time, talent and treasure supports the mission and programs of our Church. As we embark on our Church's future and continued progress, we recognize the incredible efforts of so many individuals over the past 20+ years that have led to remarkable accomplishments for our humble Community. To continue to build and maintain our momentum, and achieve our vision for Saint Anna, we depend heavily on parish engagement and stewardship. With your heartfelt pledges, we can maintain our church facilities, do God's work and grow in Christ together.

All Greek Orthodox Parishes are governed under the Greek Orthodox Archdiocese Uniform Parish Regulations (UPR). According to the UPR, for a parishioner to be a Steward in Good Standing, each family must submit a signed Stewardship Commitment Card. This card allows each parish to fulfill its obligation to the Metropolis / Archdiocese and effectively plan the fiscal operations of the church.
