Dear friends of The Treehouse,

Bingo for Babies is back! Mark your calendars for June 20, 2025! Last year's event was a huge success and we've set the bar even higher for 2025. This year, we hope to raise \$40,000 to support two key programs at The Treehouse: Getting Ahead and Strengthening Families.

Your Support for The Treehouse Provides Transformative Care

"Through The Treehouse, I took ESL classes that helped me adapt to a new culture and feel more at home. Later, through The Treehouse I learned about GED classes, which eventually led me to attend college. Today, I am proud to hold a Master of Education degree focused on interrelated special education. This is my way of giving back—meeting the needs of children in our most vulnerable communities." -Yuri, past Treehouse mom

For 23 years, The Treehouse has partnered with businesses and individuals to turn compassion into action by supporting over 6,800 mothers like Yuri. Programs like Strengthening Families and Getting Ahead challenge participants to build stronger relationships with their children, create positive home environments and reach new levels of stability in their communities.

"Through Getting Ahead, I learned a lot of things that I was unaware of and my outlook on my life has changed. I've come to realize through this course that I can influence change in my life and the people around me. I want to be the best version I can be, for my daughter, for myself and for God."
