

World Vision  30 HOUR FAMINE

Hunger isn't just. But your hunger can be. **JUST HUNGER.**

GOYA – 30 Hour Famine/Hungry for Love

Our GOYA of St. George will be participating in this year's nationwide 30 Hour Famine in order to help stop world hunger.

It only takes \$1 a day to help feed and care for a hungry child. For every 10 seconds there is a kid dying throughout the world because of malnutrition.

This is our 15th consecutive year that our GOYA has participated in raising money to feed the hungry. The 30 Hunger begins Holy Friday at 9pm and will end at 2am on Pascha Sunday morning. Also, this year our GOYA half of the proceeds will be going to IOCC which is the International Orthodox Christian Charity that helps Orthodox Christians throughout the world.

What is the 30 Hour Famine?

It is a nationwide sponsored event by World Vision, which our GOYA participants. All participants are asked to restrain from eating food for 30 hours during which time they are asked to raise awareness and funds in order to stop world hunger.
