Many hands make light work!

Help Us Plan Our Amazing Annual Greek Festival!

We Need Your Ideas, Energy, and Enthusiasm!

The Greek Festival doesn't magically happen overnight. It takes a village... or at least a room full of dedicated volunteers fueled by coffee and refreshments!

You can make a meaningful difference without a major time commitment. Our Annual Greek Festival is a celebration of faith, culture, food, and community, and we invite you to help carry on this cherished tradition and become part of its lasting legacy.

**Join us Saturday, October 3rd in the Church Hall
at 10 am to discuss planning for the
2027 Greek Experience**
