

HELLENIC AMERICAN ACADEMY

The beginning of our 120th school year!

SEPTEMBER 2026

The School Blessing

Father Nick & faculty welcomed students back on September 1st with the blessing of our school and the excitement of a new academic year ahead. Together, our students, faculty, and families began another year rooted in faith, learning, tradition, and community.

Welcome Back Ice Cream Social

Our PTA welcomed families back with a wonderful Ice Cream Social filled with sweet treats, playground fun, and time spent together. Events like these strengthen the close-knit community that makes HAA such a special place for our students and families.

Fall Sports – GO SPARTANS!

Our fall athletic season is underway! HAA's 4th and 5th grade boys and girls are proudly representing the Spartans in Cross Country through the Ecumenical Athletic Association, building confidence, perseverance, teamwork, and good sportsmanship with every mile and meet!
