Can you help a local family during this holiday season?

The Ladies Philoptochos Society will be collecting $25.00 Target, Walmart, or Market Basket gift cards (or monetary donations of any amount) through Sunday, December 6th to donate to….

THE WISH PROJECT

The Wish Project's mission is to support the local community by providing donated clothing, baby essentials, and household goods to aid local families in need. They help families that are victims of a fire or natural disaster and those trying to transition from shelters into their own homes. During the holiday season, donated gift cards help parents purchase gifts and prepare a special meal.
