

Put St. Nicholas at the Top of Your Christmas List!

The holidays are just around the corner! Before we know it, we'll be making our Christmas lists and beginning our shopping. This year, let's put St. Nicholas and our church family at the top of our list!

We ask for St. Nicholas's prayers and blessings throughout the year. Now is the time to give back by sharing our time, talents, and treasures. Consider increasing your Stewardship pledge, volunteering, or becoming an active Steward.

Let's also remember the Restoration Campaign. Every gift brings us closer to restoring and preserving our beloved Cathedral and campus for generations to come. If you have made a commitment, consider making your first payment before year-end. If you haven't participated, we invite you to join us!

The end of the year is an opportunity to explore different ways to give, including gifts from your IRA, appreciated stocks, or other tax-deductible contributions. Please consult your tax or financial advisor about the options right for you.

Together, through our faith, generosity, and love for St. Nicholas, all things are possible. Let's make our church and community a priority this Christmas and ensure a vibrant future for generations to come!
