American Hellenic Educational Progressive Association (AHEPA)

Local Myrtle Beach Chapter #498

UPDATE ON GREEK LANGUAGE LEARNING SESSIONS

Dear fellow Parishioners and Members or Friends of the Greek Community for the Saint John the Baptist Greek Orthodox Church in Myrtle Beach, SC.

The response to the **Greek Language Learning Sessions** by our local AHEPA Chapter has been **Very Positive.**

We have 11 individuals who have expressed interest to attend, and we began our sessions on Tuesday 11/10/2026. We will continue weekly, if the interest continues by these individuals.

We will not plan on new attendees until the next round of sessions begin sometime in 2027. This is in order to interrupt the learning flow of the sessions by having to catch up new attendees.

Please send an email to Yorgos Anagnostopoulos, if you might have any questions on this, at cyasurfsidesc@gmail.com

Sincerely,

Yorgos Anagnostopoulos – AHEPA Chapter 498 Member & St. John's Parishioner
