My dearest St. Anna Family,

As the commemoration of the birth of our Lord and Savior Jesus Christ is fast approaching (where does the time go??), our thoughts center on our families and how Christ has promised to be, and is always, in our midst. This has been a bright year of growth and exciting changes for our community! Our St. Anna Church is continuing to grow and welcome new stewards to our ministries and family.

This past year, we were blessed to participate in the holiest of events and the fulfillment of our dream, the burning of our mortgage and the upcoming Holy Consecration of our beautiful St. Anna! We are so grateful to Father Jimmy for his love, humility, prayers, and guidance to us all along with his wonderful Presvytera Antonia and his amazing family!

As usual, The St. Anna Ladies Philoptochos, on behalf of Father Jimmy and the Parish Council, is sponsoring the St. Anna Community Christmas Card. This beautiful Orthodox Icon Card will allow us to wish each other the joys and blessings of Christmas through the love of Christ, and at the same time, support the fundraising efforts of Philoptochos. The funds raised by our Christmas Card are used to replenish our "emergency fund" account, so that we can help those in extreme need in our community.

If you would like to participate in this year's St. Anna Community Christmas Card, please complete the form below and return it, along with your donation, to the Philoptochos table during fellowship. Please make checks payable to **"St. Anna Philoptochos" or feel free to use our "St. Anna Philoptochos" Zelle account through TD Bank.**

A very Merry and Blessed Christmas to all! Thank you as always, for your generosity.

So we can meet our printing deadline, the last day we will be accepting participation is Sunday, November 29, 2026.

May the Joy of the Season bring you all the blessings of Christ's love and grace,

Fay Vespa
