Care Packages for College Students

Our St. George community is thinking about our young adults who are continuing their education locally or away at college and would like to send them some sunshine in a “*Hometown Hug Box.*”

The package will include lots of good treats while they are attending a college or trade program.

♡ *A little encouragement,
a lot of love!*

Please email Tina Anastos at tinaanastos@gmail.com with the following information by **Friday, October 30th** (or as soon as possible):
