Help Us Bring Christmas to 800 Service Members!

Because "single service member" should NOT mean "forgotten this holiday season!!"

Holidays in the dorms/barracks can be lonely, but our community can change that. Help MSA NJ Corps bring a little Holiday magic to the single service members at JB MDL! We are on a mission to fill 800 stockings with care packages of love, fun, and gratitude so they know we have their backs. We extend a special thanks to The Spouses of JB MDL Org Thrift Store Inc. for generously supporting us by sharing our mission and serving as an on-base drop-off. Every single donation helps us bring them a piece of home!

OUR MISSION

- ★ **THE GOAL:** 800 FILLED STOCKINGS
- ★ **THE OBJECTIVE:** Fill them with holiday cheer
- ★ **THE REASON:** Because our single service members deserve to know their community cares.
