CHURCH ELEVATOR PROJECT

Progress Update & Fundraising Appeal

We are excited to share the continued progress of our new church elevator project, an important investment in making our church and fellowship hall more accessible, safe, and welcoming to all parishioners and visitors.

Project Highlights

Total Elevator Cost: Approximately $46,000

Equipment: The new elevator has been ordered.

Construction: Major construction has been completed, including the concrete foundation and slab, structural opening on the side of the church, and preparation for the elevator installation. This construction work was generously donated by parishioners and is not included in the approximately $46,000 total elevator cost.

State Approval: We are awaiting the state permit, which we anticipate receiving this week.

Generous In-Kind Donations: In addition to monetary contributions from parishioners, substantial labor and services have been generously donated at no expense to the elevator fund, including:

Electrical installation and related work

Major construction and structural modifications

Exterior stucco work

Concrete foundation and slab installation

Volunteer Recognition: Special appreciation goes to Spiro and Harry, who have dedicated countless volunteer hours coordinating, overseeing, and helping move this important project forward.

Your Generosity Makes a Difference!

We are asking our church family to consider making a financial contribution toward the $46,000 elevator project. Every donation, large or small, brings us one step closer to completing this much-needed improvement.

Any funds raised beyond the cost of the elevator project will be dedicated to additional accessibility and safety improvements within our church and fellowship hall. These improvements may include purchasing wheelchairs, walkers, an automated external defibrillator (AED), and other equipment to better accommodate and protect our parishioners and guests.

Our goal extends beyond installing an elevator. We want to create a safer, more accessible, and welcoming environment for everyone, especially our seniors and those with mobility challenges.

Together, We Can Make It Happen!

We sincerely thank everyone who has already contributed financially, donated professional services, or volunteered their valuable time.

If you have not yet contributed, please consider making a donation to support this important project. No contribution is too small, and every gift makes a meaningful difference. Through the faith, generosity, and commitment of our parish community, we can continue making improvements that will benefit current and future generations.

Thank you for your continued prayers, generosity, and support. May God bless you all
